MYRTLE AVENUE SENIORS

Older adults are 'aging in place' in Fort Greene and Clinton Hill. Nearly 7,500 senior-age adults (age 55 and older) reside within just a couple of blocks of Myrtle Avenue in Fort Greene and Clinton Hill neighborhoods. As our neighbors age, we want to make sure that local businesses provide discounts, specials and free events that make the neighborhood easier, more affordable and enjoyable for local seniors.

This senior resource guide was created with direction from the Myrtle Avenue Senior Advisory Council.
