

The Myrtle Avenue Brooklyn Partnership's 4th Annual Black Artstory Month/SOME ASSEMBLY REQUIRED acknowledges the significant role that community building, cross-sector collaborations and collective actions have played within the Black Community in their pursuits for political freedom, cultural revolutions and social change through art. The FREE performances, talks, film screenings, and public art experiences all take place on Myrtle Avenue and coincide with Black History Month. ART: INSIDE/OUTSIDE features the work of 15 artists at window murals, art exhibits, and installations.
