PUTNAM'S PUB

Putnam's Pub has been the cornerstone of the Clinton Hill/Fort Greene neighborhood since it opened in July of 2011. We offer elevated American comfort food and an extensive beverage program which includes a 24-tap craft beer system with a lineup of some of the world's best-known imports together with the ever increasing quality of the local Brooklyn and greater New York craft beer industry. An impressive whisky and bourbon selection and a seasonal cocktail menu rounds out the award-winning beverage program, far exceeding the expectations of casual pub goers.
