

Jem Bleu

Jem Bleu is a Pop/R&B guitarist and singer-songwriter from Brooklyn, New York. He's been performing in NYC subways since the tender age of 17. "Growing up in a musically inclined family, it just makes sense that I'd become who I am today" says Jem. His sound is influenced by the likes of John Mayer, Khalid, and Justin Bieber. His purpose is to inspire and bring joy through his art, all while making positive and real change with his influence and talent in the world.
